Georgia EPD requests the following material in order to gather information on distribution methods utilized by Community Water Systems. Please mark and/or fill out all items which apply to your CCR program or means of report distribution.

For ALL Community water systems, indicate the method(s) used for CCR notification and/or distribution:

NOTE: For systems serving >10,000 persons, a “good faith effort” was made to your “other” water system consumers by one or more of the following methods (mark all methods utilized):

- CCR is posted on the Internet at a publicly available site: www.lyonsga.org**
- Rural route mailing to all consumers within the service area (attach list of zip codes used)
- Advertised availability of CCR to local news media (attach announcement used)**
- Published CCR in local newspaper (attach physical copy of paper publication)**
- Posted CCR notice of availability in prominent public location(s) (attach list)**
- Directly delivered individual CCR copies to all residents in the community
- Directly mailed individual CCR copies to each customer receiving a water bill
- Other direct delivery methods were utilized such as:** Posted Copy at City Hall
Posted Notice of Availability on water bills

For all systems serving > 100,000 persons or other Internet accessible systems:

CCR is posted on the Internet at a publicly available site: www.

Indicate the number of consumers served or population served by your water system:

- <500 consumers served
- 501 - 9,999 consumers served**
- 10,000 -999,999 consumers served
- >100,000 consumers served
